

TODAY, WE'RE GOING TO TALK ABOUT...

My English teacher was so creative and had the nicest PENMANSHIP.

MONOLOGUES!

Bruno, the papier mache Halloween BAT!

I was always impressed by the way she could write with just a tiny nib of chalk on the blackboard.

Finish the DIAGRAM, Brittany.

Um...
I...
Um -

She also had this AMAZING TEMPER!

She was definitely UNPREDICTABLE which made her the LEGEND that she was.

ARRGHH! BRITTANY!
SIT DOWNN!

MONOLOGUES are long SPEECHES recited by ONE PERSON.

Okay. I'm going to **STOP NOW** because you all are getting too **EXCITED!**

AW! NO, Sister!!

C'mon, please please continue!

Yeah, we like the "VROOMS!"

... very well...

SO! As you can SEE, ma'am, it took the SPOTS right off the **CURTAINS!!**

WAIT! What do you MEAN those SPOTS weren't there BEFORE I "cleaned" them?

Honest to Betsy! I didn't mean to RUIN the CURTAINS your HUSBAND gave you for your BIRTHDAY!

Ma'am! PLEASE Don't THROW those -OUCH! That kettle of yours is sure Heavy! WAAHHH!!

WAAHHH! VROOM!! BARK!

ENOUGH!!

It would take her 5 minutes to calm down and get back to her normal color.

After that, she instructed us to start working on our own monologues for the rest of class. They were due next week. I would have to present mine on Tuesday.

TUESDAY..

Okay Rina,
you're up.

Ahem...

Good EVENING
miss! Are
you ready
to order?

And you, sir? What
would you like?

Oh would you like to
hear the specials?

Very good,
miss. Would you
like to see the

Okay, miss.

Anything to drink?
No? Okay, miss.

THIRTEEN MINUTES LATER...

Can I take your plate away, miss?

Would you like me to Box anything?

Will a medium Box do? Very good, miss.

Would you care for dessert?

No? How about some coffee?

Great! Do you take cream and sugar? Great.

How about you, sir? Just sugar?

Thank you for eating with us. HAVE A NICE EVENING!

Would you like 5's and 1's?

Will you be needing change? Sure, I can break that \$20 dollar bill.

Here you go, sir.

Here you go. Will there be anything else?

So just the check then? Very good, sir.

The End.

Next up: SEAN.

AFTER THE LAST PRESENTATION
My english teacher pulled me
aside, probably to congratulate
me on a job well done.

I think you
need to take
SPEECH classes.

It's your S's.
You keep saying
"CH-CH-CH!"

Instead, it
should be
S-S-S-SSSS!
Like a SNAKE!

Crap. how much
did he hear. Stop
looking, butthead!

She wanted me
to go next week.
I shouldn't have
ended every
sentence with
"Miss" and "Sir."
Was I really
saying "Mitch"
and "Chur" all
this time?
